

Summary of DeepSeek Terms of Use

Overview:

DeepSeek offers AI-based products and services through various platforms (websites, apps, APIs, SDKs). Users must agree to these terms and other related policies before using the services. If there is a conflict between these terms and specific terms for a feature, the specific terms prevail.

Key Points:

1.Services:

- DeepSeek provides generative AI services powered by large language models capable of text generation, conversation, and integration into other systems.
- Services evolve and may be updated, modified, or discontinued due to technology changes or legal compliance.
- No guarantee is made regarding the availability or functionality of services in all jurisdictions.

2.Accounts:

- Services are intended primarily for adults; minors require parental consent.
- Users must provide accurate information when registering.
- Account misuse (e.g., malicious registration, unauthorized sharing) is prohibited.
- Users bear responsibility for securing their accounts and reporting unauthorized use promptly.

3.Usage Requirements and Restrictions:

- Users are granted a non-exclusive, revocable right to use DeepSeek's services.
- Users must comply with laws, avoid misuse, and refrain from generating or distributing harmful, illegal, or offensive content.

- DeepSeek reserves the right to review user behavior and enforce compliance through various measures, including account suspension or reporting violations to authorities.

4.Inputs and Outputs:

- Users retain ownership of their inputs and outputs.
- DeepSeek may process inputs and outputs for improving services while ensuring data security and de-identification.
- Outputs may contain errors and should not be treated as professional advice.

5.Intellectual Property:

- DeepSeek retains intellectual property rights over its services, excluding user-generated inputs and outputs.
- Unauthorized use of DeepSeek's trademarks, logos, or other brand elements is prohibited.

6.Legal Compliance:

- Users must comply with export control and sanctions laws when accessing or using DeepSeek's services.
- Restricted usage includes activities violating intellectual property rights, promoting violence, or engaging in other prohibited behaviors.

7.Liability and Disclaimer:

- Services are provided "as is," with no guarantee of accuracy, reliability, or uninterrupted access.
- DeepSeek disclaims liability for indirect or consequential damages.
- Users are responsible for any legal claims or damages resulting from their misuse of services.

8.Governing Law and Dispute Resolution:

- Terms are governed by the laws of the People's Republic of China.
- Disputes are resolved through negotiation or by filing a lawsuit in Beijing.

9.Amendments to Terms:

- Terms may be revised to reflect legal, technical, or service changes. Continued use after revisions indicates acceptance.

10. Contact Information:

- Feedback and complaints can be submitted via the product interface or official email addresses.

Explanation:

The terms outline the responsibilities of both DeepSeek and its users. They emphasize lawful and ethical usage, the importance of safeguarding account details, and the limitations of DeepSeek's liability. Users should approach outputs cautiously, especially when seeking professional advice. Regular updates to the terms ensure alignment with legal and technological changes.
